TO: ALL RESIDENTS

Dear Residents

VALLEY PARK – NEW IMPLEMENTATION FOR RESIDENT(S) TO EXIT ALL PEDESTRIAN GATES USING ACCESS CARD

From **Friday, 6 Dec 2019**, residents will need to use their access card, not only to enter but also to exit Valley Park through our two pedestrian gates (One opposite the main guard house to Valley Point and the other at the back entrance to Kellock Road).

The main purpose of this change is to improve security and to prevent fictitious visitors from taking a shortcut across our estate to access shopping areas such as Valley Point, Great World City etc and parking in our surface car park for free on the pre-text of visiting our residents.

Kindly make sure you have your access card with you at all times to avoid any inconveniences.

We seek your understanding in this matter.

Thank you and we wish all residents a "MERRY CHRISTMAS & HAPPY NEW YEAR".
